Thank you for your interest in our chapter. We are the Bangor, Maine chapter 483, an official chapter of the STAR Touring and Riding Association, formed on April 10, 2010. Our chapter serves the Greater Bangor Region with members coming from all over central, eastern, coastal, and northern Maine. The common thread we share is the love for the open road, and the many friends – new and old – gathered along the way. All brands of bikes are welcome.
